

Student Smoking Policy

It is the mission of Nassau BOCES and CCA to provide the best possible education for all students. As such, we are committed to promoting ethical, healthy, and legal lifestyle choices for our students and, therefore, maintain a Zero Tolerance Policy for tobacco/vape use at CCA. The 1994 Pro-Kids Act prohibits tobacco use on school grounds, vehicles, and during school sanctioned activities, such as school trips. **Continuing with this policy, any tobacco/vape use by students is strictly prohibited.** These infringements will be tied to the school wide behavior management program. Continued violation will necessitate a parent being summoned to a school meeting with administration.

Dress Code

We depend upon parents to guide their children in selecting proper attire. Below are some guidelines:

- þ **Students are not permitted to wear clothing that shows belly buttons or undergarments**
- þ **Students may not wear tops that show undergarments, shorts that expose their buttocks, or skirts/dresses/shorts that are short enough to show undergarment, shorts/skirts should extend beyond 2 inches above the knees). Halter-tops and tube tops are unacceptable.**
- þ **Students may not wear short shirts showing their belly buttons. Pants/shorts that fall below the waist revealing undergarments are unacceptable. Tank tops for boys are also unacceptable.**
