

Art Social

Join us for an Art Social class where we make cool art projects and build friendships!

Art Social is a fun and creative class where we make cool art projects and build friendships! We have a variety of art projects to choose from, including painting, drawing, and sculpture. We also have a variety of art supplies and materials available for purchase. Art Social is a great way to spend your free time and learn something new. We have a variety of art projects to choose from, including painting, drawing, and sculpture. We also have a variety of art supplies and materials available for purchase. Art Social is a great way to spend your free time and learn something new.
